# GAMETSUKI KINGDOM

## THE GREAT CROWN GRAB!

## 4,000 G. From second to first.

## 1,570 G → 5,570 G

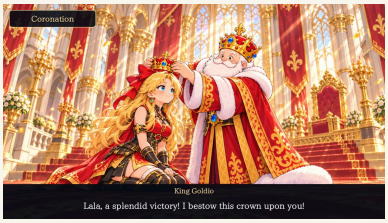

Warupon beats Lala. His total assets rise, sending him into first place.

## Steal. Betray. Become King!

Gametsuki Kingdom is a competitive board-game RPG from a solo developer in Japan. Spin the roulette to move, build up your character along the way, and challenge rivals as you vie for the crown.
